## NAEP 2023-2024

NAEP- The National Assessment of Educational Progress (NAEP) will take place between January 29 and March 8, 2024

- This survey measures students performance in Grades 4, 8, and 12
- Students will respond to questions in mathematics, reading, or science and each student will answer questions in only one subject
- NAEP will ask to use school-based Internet-when possible
- Districts have been notified and schools will be notified no later than July 14
- State results will be released for grades 4 and 8, but no state results for Grade 12

## High School Transcript Study

- High Schools selected for NAEP grade 12 assessments will also participate in the HSTS
- Student transcripts and course catalogs will be collected
- Students will not have to complete additional assessments for the HSTS
- Information will be used to examine course taking patterns of students and relate those patterns to educational achievement and NAEP assessment data
- National results will be released

## NAEP 2023-2024

## Field Trial

- NAEP will assess schools selected for the Field Trial between November 6-17, 2023
- 3 schools in Alabama were selected for the Field Trial
- Students from Grades 4,8 , and 12 will respond to questions in mathematics and reading
- Students from Grade 8 only will respond to questions in Science
- Results will not be released

## International: TALIS

- The Teaching and Learning International Survey (TALIS) will take place in March and April of 2024
- This survey asks teachers and principals questions about their backgrounds, work environments, professional development, and beliefs and attitudes about teaching.
- Only 2 schools in Alabama were selected to participate
- Teachers will receive $\$ 25$ for completing the Teacher Questionnaire and schools will receive $\$ 200$ for participating
- Districts have been notified and schools will be notified no later than July 14
- National results will be released

## NATIONAL ASSESSMENT

 OF EDUCATIONAL PROGRESS
## NAEP 2023-2024

Pilot Study-will take place between January 29 and March 8, 2024

- 18 schools were selected for the Pilot Study
- Will evaluate new items, continue to explore online assessment platform, and study the transition to different devices that students are most familiar with
- Students will respond to questions in mathematics and reading
- Students will complete survey questions about educational experiences and opportunities to learn in and outside the classroom
- Districts have been notified and schools will be notified no later than July 14
- Results will not be released
